

ART 273

Professor: Jing Zhou

Science Exhibition Poster

Design a poster for a natural science exhibition at a museum in the past five years.

You will create this poster using Adobe Illustrator. Your final artwork should not have any photographs (your drawings can be used as part of the design).

Your poster will be mounted on one black Letramax board by using StudioTac (Repositional or Low-Tack).

Project Objectives

Enhance digital illustration skills

Practice design composition and typography

Technical Notes

Poster Actual Size: 11" x 17"

Black Board Size: 15" x 20"

Output Resolution: 300 dpi
