Assignment #2: Self-Portrait

Instructions : For this assignment, you should shoot a self-portrait and use the image as foundation to express ideas and use Photoshop to manipulate images with different tools and techniques.

Objective : Demonstrate the understanding of using tools and effects, and fully express creative idea about oneself.

Project Requirement:

- Shoot some images of yourself, import them into your computer, and select your favorite
- Import other images, layer and edit the images to express the idea of self-portrait and resize the image to A3 size (420mmx297mm) at 300dpi
- A PSD file and a JPG file should be named as follows:
StudentIDnumberName_SelfPortrait.psd
StudentIDnumberName_SelfPortrait.psd
- A text file of 100 words description of your work.
- Upload your file to the given Cloud drive's URL.
- We will critique these projects digitally in 3 weeks.
- A final output of the image should be printed out on paper and attach on foamcore.

Grading Rubric:

| | |
|---|-------|
| Originality | 25pts |
